## TIBETAN ASSOCIATION OF NORTHERN CALIFORNIA

August 13th, 2023

Dear TANC Community Members,

We hope this message finds you well. As part of our commitment to improving our community infrastructure, we are excited to announce a project that requires your invaluable support.

We are starting on the construction of a new public toilet facility, a crucial addition that will greatly benefit our community. After thorough deliberation and careful consideration of various proposals, the TANC board has decided to take this initiative to address an essential need expressed by the general members of TANC.

We are reaching out to all community members who possess expertise in the field of construction and related trades. If you have skills in this area, we kindly request your assistance for the successful realization of this project. Rest assured, your efforts will be compensated fairly as a token of our gratitude for contributing to the betterment of our community.

But that's not all – we also invite those with a willingness to volunteer their time and energy to step forward. Your dedication will play an integral role in making this much-needed project a reality, and your generosity will leave a lasting positive impact.

If you're interested in lending a helping hand or would like to volunteer, please express your intent by sending an email to [board@tanc.org](mailto:board@tanc.org) no later than August 19th, 2023. If you have any questions or concerns, please reach out to (510) 230-8333. Your participation will contribute to enhancing our community's facilities.

Thank you for your continued support. Together, we can build a better future for everyone.

Best regards,

President  
Jinpa Tharchen  
Tibetan Association of Northern California
